

CFE Exam Review Course Authorised Trainers

Anti-fraud professionals around the world earn their Certified Fraud Examiner (CFE) credential by taking and passing the CFE Exam. While individuals may study with the [CFE Exam Prep Course](#)® or the [Fraud Examiners Manual](#), the rigorous [CFE Exam Review Course](#) provides attendees with the best preparation possible through in-person guidance from trained instructors. The ACFE introduced the Authorised Trainer Program to provide members and other candidates outside of the U.S. with the opportunity to attend a live *CFE Exam Review Course* and learn from qualified third-party instructors. The program is designed to ensure that trainers who offer the ACFE's *CFE Exam Review Course* possess the skills and knowledge necessary to deliver a premium quality learning experience.

The organisations below are exclusive ACFE Authorised Trainers of the *CFE Exam Review Course*. The ACFE does not endorse nor sanction any other third-party providers. For a complete list of upcoming courses, please visit the [Calendar of Events](#).
